2911...F 座墊 SEAT

The diagram illustrates the assembly of a seat. The main components are the seat cushion (1) and the seat backrest (9). The cushion is shown with its internal structure and various mounting points. The backrest is shown with its internal structure and mounting points. The assembly includes various hardware such as bolts (3, 4, 15), washers (12), and brackets (10, 11, 13, 14). A front arrow (FR.) is shown at the bottom left.
